Subject: Free Signage Resources for SFAs

The Healthy Hunger Free Kids Act of 2010, 7 CFR 210.10(a)(2) requires that schools identify, near or at the beginning of serving lines, what foods constitute unit priced reimbursable meals.

The Child Nutrition Program Administration has purchased materials to ensure School Food Authorities (SFAs) are complying with this signage requirement. SFAs that ordered these materials previously have been shipped display cases and signage materials.

There has been a supply issue with the larger display case stand. The vendor shipped stands that could not adjust to hold the 18" x 24" case in the landscape position. Pictured below is an example of how one school is using the stand with the larger case and smaller tray posters. If you need to order different materials, or did not complete an initial order, please submit a completed Resource Order Form on the Child Nutrition Knowledge Center at http://portal.nysed.gov/portal/page/pref/CNKC/Resources_pp/44Resource%20Order%20Form.pdf.
